DEAR EDITOR....

AFSIS Thanks

Editor, Torrance Press
The American Field Service Committee members wish to express their sincere appreciation of the cooperation given them by the Torrance Press in regard to publicity and photographs.

Articles appearing in the Press did much to create wide-spread interest in the two European students who were the first to attend Torrance High School by way of the A.F.S.I.S. program.

Sincerely,
(S) MRS. SAMUEL RAUSS
Secretary.

Community Chest

Editor, Torrance Press,
A great deal of the success of the last Community Chest campaign in Torrance can be attributed to the fine support the Torrance Press gave the appeal. Men and women going out soliciting into the community is not enough to insure success of such a great endeavor, unless the public is fully aware of the need for the funds, and the use to which they are put.

The Torrance Press has always printed favorable, intelligent and informative material about the Chest and the work of Chest agencies, making the way easier for the people who give of their time and energies to make collections from generous donors.

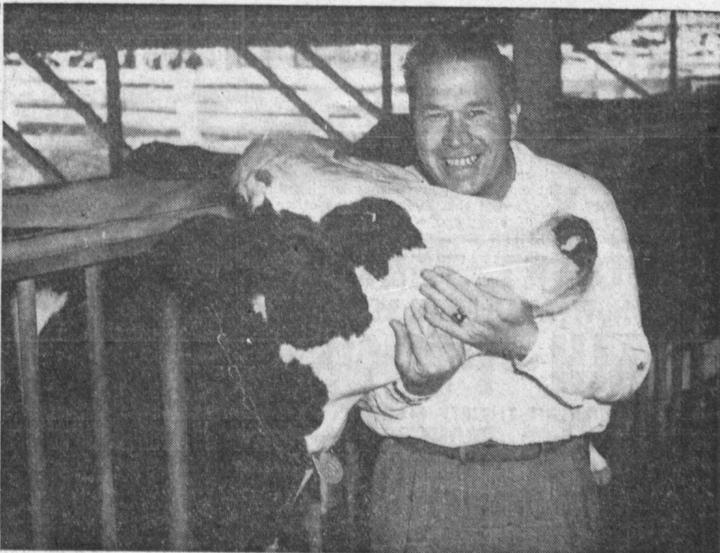

So during this coming week, June 12-18, which the Community Chest has set aside as "Thank You" week, the Harbor Area Board of the Welfare Federation of Los Angeles Area wishes to express appreciation to all donors, volunteer workers and to the staff of the Torrance Press for making the 1954 campaign a most successful one.

Sincerely,
(S) GEORGE BRADBEE, Chairman, Harbor Area Board

Community Chest 'Thank You Week'

Editor, Torrance Press
The Community Chest has set aside the week of June 12th to the 18th as "Thank You Week."

As a Red Feather agency member, we at the San Pedro Y.W.C.A. know that we have many people to thank. Those who gave to the Community

BIG BUSINESS COMBO — Celebrating June as "Dairy Month" Ben Cluff and "Bossy" . . . "Queen for a Month" . . . strike a posse proclaiming the combination that has made Ben Cluff Dairies, 22028 South Avalon Blvd., Wilmington, and 17006 South Figueroa, Gardena, a big business in the area for the past dozen years. The Ben Cluff plants are one in 100 dairies that produce, process, bottle and sell milk on the same premises. High quality of

product is accentuated by the fact that 100 per cent of Ben Cluff Dairy entries in last year's Los Angeles County fair won gold medals, and, again at this year's fair, Ben Cluff products will be entered. Almost 90 per cent of the dairies' employees are neighborhood home owners. It is no wonder that homage is being paid to the "foster mother" of the human race. (Graphic photo.)

DAIRIES CELEBRATE JUNE DAIRY MONTH

Although June Dairy Month is a national promotion, it is of particular significance to Southern Californians, since this area is the world's largest dairy center.

Since more than 5 million Southern Californians depend on fresh milk from local sources, production facilities have had to be concentrated in the relatively small area not utilized for subdivisions, orange groves and industrial construction.

This small area, known as the Los Angeles milkshed, is operated on a large-herd basis, with "drylot" feeding of the cattle.

Most of the cows are large Holsteins, eating an average of 30 pounds of hay a day. This means that the dairy production center must be provided with tremendous quantities of hay.

Most of this is trucked in from nearby irrigated valleys of Southern California. In addition, Los Angeles has become America's major market for copra meal as a source of protein. The dairy owners also utilize bran, beet pulp, cottonseed meal, barley and oats, as well as small

Chest, who worked for it, and those who believed in its ideals.

The contribution that the Torrance Press has made to our agency is an outstanding one.

You have been generous to us and a real help in developing our program designed to meet the needs of all women and girls in our community.

To you and your staff we do sincerely—from the warm place reserved for you in our hearts, say—Thank You!

Sincerely,
(S) MRS. ARNOLD ECKLUND,
President.

Kenny Foundation

Editor, Torrance Press
The Sister Elizabeth Kenny Foundation of Southern California wishes to take this opportunity to express sincere gratitude for the fine cooperation shown us during our May campaign on the part of your newspaper.

You have played a major part in helping us keep the public informed, and an informed public brings us support to maintain our hospital facility for those polio victims who now and in the future will need it.

Thank you so very much for all you have done!

Sincerely,
(S) I. A. ANDERSON,
Executive Director.

CSE TO ENTER LEAGUE

The Torrance chapter of the California School Employees association will enter a team in Service club league, replacing the Hollywood-Riviera Sportsmen club, according to Elmer S. Moon, director of athletics for the recreation department.

Frank Regal, last year's team manager for the Sportsmen and Pat Patrons, club member, have been trying to muster enough members to field a team for the past six weeks and announced today that they had met with failure due mainly to the many diversified interests of the club's members.

Wayne Branum, bus driver for the Torrance Unified School System, is the organizer of the new team.

They will play the remaining games, as scheduled, for the retiring Sportsmen's group.

CHEAPER BY THE DOZEN

They say they're cheaper by the dozen, so you can imagine how reasonable eight dozen or more would be.

That's the theme we at Twin Pontiac are using this month. We went all-out and ordered 12½ dozen brand spanking new 1955 Pontiacs at a special purchase price, and from now till the end of the month, we are offering them to you at an unbelievable savings.

In fact, your cost will be \$100 less than the price of Fords, Chevrolets and Plymouths of comparable models.

Of course we're not stopping there. If you bring this ad with you you will receive a free trip to fabulous Las Vegas all expenses paid for two, with the purchase of one of these new Pontiacs. Even at this low, low price, G.M.A.C. or bank terms are available.

So if you're interested in saving hundreds of dollars, and we know you are, act now. Clip out this article and bring it down to Twin Pontiac at 505 Pacific Coast Hwy. in Hermosa, tell us what you're interested in, and we'll do the rest.—Adv.
